MEETING OF BOW WONGS.

Will Hold Big Conference in Japan Very Soon.

There is to be a meeting of the Bow Wong Society in Japan next month at which representatives of the Society Will be in attendance from all over the world. From the local branch, Lam Sai, a well-known Chinese and the secretary of the Honolulu branch, has been chosen as delegate and he will leave on the Nippon Maru on her next trip to Japan. Mr. Lam Sai has offered his household goods for sale and will take his family with him to Japan. The conference will be held it is stated at Yokohama and this will be Mr. Lam Sai's destination.

At the conference will be all of the notable leaders of the reform movement, including Leung Chi-Tso, the young reformer who organized the Bow Wong Society in the Islands and made such an excellent record while here. He is now said to be in Peking with the ailied troops, studying the situation for the purpose of ascertaining the best time to strike the blow by which he and his followers hope to inaugurate a a kultable for light new order of things for their country.

PLANTER'S ASSOCIATION.

Yesterday's Meeting Devoted to irritation of the gums. I use your pow- lady in this Territory. Discussion of Negro Labor.

The Planters' Association met yesterday morning and discussed the labor question. The necessity of securing laborers from outside the Islands to fill the places of the Japanese who have lest their jobs and the feasibility of substituting negro laborers from the States was likewise discussed.

W. S. Withers, of the Honolulu Stock x owners are incon- Yards, appeared before the Association and told of his experiences with the ng an unfurnished cot- negroes in Kentucky and of what their ith not less than four work had been in the tobacco fields. consult our "For Rent" It is quite likely that the Association will combine to import a number of ne Protestants negro families from the Southern States and if they prove to be what is expected of them that the experiment will be extended.

ALSEN PORTLAND CEMENT

WE HAVE JUST RECEIVED a large shipment of this celebrated Comments which is the STEONGEST AND MOST SERVICEABLES CEMERS at 4 will permit the admixture of a larger amount of sand gravel, with bad loss of strength, than any other brand; it is therefore the most exercises.

ALSEN has no equal in color, fineness and sand sarrying capacity weighs less per bushel, measuring about 10 per cent more execut to a bar / which was a strength which was a strength or sand sarrying capacity.

weighs less per bushel, measuring about 10 per cent more esment to a bor than other brands, which very materially reduces its cost as compared other cements, is therefore an economical cement, to use, and specially adapted for fine concrete work.

The following tests, made in actual work by Col. D. C. Houston, Cover Engineers, U. S. A., at the sea wall around Governor's Liland, New Terk Dr. bor, has never been equalled by other cement. It is as follows: Example the control of the c strength per square inch-One day, 384 pounds; seven days, 486 youres; thing

For sidewalks it gives the best color and the most and archie wearing

A few of the large contracts in which alsen Cement was need: Online E. R. Baltimore, 35,000 barrels; Quebec Harbor Improvement, 46,600 barrels; Escathern Pacific R. R. Bridges, 20,000 barrels.
